VOLUME 123 . . . *JULY—DECEMBER*, 1939

July 6 ..... 1– 44
July 13 ..... 45– 58
July 20 59–110
July 27 111–126
Aug. 3 127–178
Aug. 10 179–194
Aug. 17 195–242
Aug. 24 243–258
Aug. 31 251–304
Sept. 7 305–316
Sept. 14 317–372
Sept. 21 373–384
Sept. 28 385–438
Oct. 5 439–448
Oct. 12 449–504
Oct. 19 505–516
Oct. 26 517–586
Nov. 2 587–600
Nov. 9 601–656
Nov. 16 657–670
Nov. 23 671–720
Nov. 30 721–734
Dec. 7 735–790
Dec. 14 791–804
Dec. 21 805–854
Dec. 28 855–866

Pages 251 to 257 duplicated in Aug. 31 issue.

A

Advertisements in technical periodicals. Robins Fleming ..... l 678

AERONAUTICS

Airports:
Holyoke, Mass, air base to be constructed n374
Iowa runways condemned by engineers n185
Jacksonville air base construction to start n379
Naval air bases to be built or enlarged n195
New York City union station planned. n317
North Beach, N. Y. airport dedicated. n507
San Juan, P. R. navy air base contract awarded n601
U. S. Navy design work let to outsiders n739
War Department to call for bids on air bases n791
Washington, D. C. employing hydraulic filling for airport *262
Alaska air bases to be constructed by the Navy n306
Autogiro loaded with mail lands on Philadelphia post office roof n*60
Civil Aeronautics Authority to obtain Abingdon laboratory n595

AIR CONDITIONING

Chicago Pullman's air-treated drafting offices described *578
Des Moines Bankers Life Building is air conditioned. L. A. McBroom *549
North Carolina air conditioning men to be licensed n244
Syracuse baking soda plant is air conditioned *570
American Assn. of Engineers:
Illinois State Assembly meets in Peoria. n387
American Association of State Highway Officials:
Richmond convention celebrates 25th anniversary n506
American Institute of Architects and Producers' Council:
Washington meeting n438
American Institute of Steel Construction:
New York convention n518
American Management Association:
Chicago meeting n675
American Public Health Assn.:
Pittsburgh meeting 761
American Public Works Assn.:
J. S. Flockhart elected president n*453
Pittsburgh meeting n505, 761
Report of Pittsburgh meeting *538
American Railway Bridge & Building Assn.:
Chicago meeting n588
American Road Builders Assn.:
Chicago road show planned n373
American Shore & Beach Preservation Assn.:
New York meeting n381
American Society for Testing Materials:
Atlantic City meeting 4
Committee approves new standards 702
Report of progress in construction materials 92
American Society of Civil Engineers:
Arizona Section n741
Mid-South Section visits Greenville bridge n*722
Report of San Francisco meeting 164
Salary and grading plan approved by directors n112
American Society of Civil Engineers and American Society of Mechanical Engineers:
New York meeting n605
American Toll Bridge Assn.:
Washington meeting n521
American Water Works Assn.:
California Section convention n593
Impressions of the waterworks convention. Farley Gannett ..... l 67
Setting Farley Gannett straight. H. E. Jordan ..... l 135
American Welding Society:
Chicago meeting n592
Apprenticeship study urged for construction 494

AQUEDUCTS

Colorado River aqueduct:
Concrete all poured n521
Filter plant bids received n605
Pumping station n*593
Rectangular conduits with corner reinforcement. D. B. Gumensky *411
Water flows into Cajalco reservoir ... n675
Delaware River aqueduct (New York):
First section holed through n*727
Shaft sinking *233
Quabbin Aqueduct (Boston):
Making large aqueduct pipe *287
Pressure aqueduct. K. R. Kennison *283, e260
Armour Institute of Technology announces staff changes n517
Associated General Contractors:
New York meeting n*450
Auditorium at New Orleans. Anton Tedesko *767
Auditorium and city hall combined at Topeka. R. A. Coolidge *574

AWARDS

Dunn, Gano, wins Hoover medal n*451
Fritz medal awarded posthumously to C. F. Hirschfield n658
New York City planning medal awarded to George McAneny n738

B

Beams:
Continuous beam design. J. B. Macphail ..... l 456
Continuous beam design. I. E. Morris .. l 203
Beggs, George E. professor of structural engineering, dies n*723
Beggs, George E. to head Engineering Foundation n520
Blasting:
Drill hole size tests at Hiwassee Dam. C. E. Blee *643
Quarry blast staged for Newcomen Society n*859
Bonds:
Mexico approves road bonds n808
Mississippi highway bonds sold n722
Niagara Bridge bond sales approved ... n731

BOOK REVIEWS

Air conditioning principles and practice. Jennings & Lewis 103
Architecture of the earth. R. A. Daly .. 430
Automatic design of continuous frames in steel and reinforced concrete. L. E. Grinter 850
Building code for california, ed. by Edwin Bergstrom 298
Design of industrial exhaust systems. J. L. Alden 103
Engineering materials. A. H. White .. 716
Engineering opportunities, ed. by R. W. Clyne 298
General cartography. Erwin Raisz 544
Geology and engineering. R. F. Legget 544
Heating, ventilating, air conditioning guide 103
Highway costs. C. B. Breed & others .. 103
History of the Sixteenth Engineers 298
Incineration bibliography 430
Johnson's materials of construction. J. B. Johnson, rewritten, Withey & Aston 716
Life and work of William C. Unwin. E. G. Walker 545
Materials of construction. A. P. Mills, rewritten by L. F. Rader 716
Natural trigonometric functions. C. E. Sharp, Jr. 850
My fifty years in engineering. Hitchcock & Weed 545
Ohio Conference on Sewage Treatment .. 298
Pipe corrosion and coatings. Erick Larson 430
Practical procedures for the waterworks operator 850
Principles of modern building. R. Fitzmaurice 545
Public speaking for technical men. S. M. Tucker 544
Public works engineers' yearbook, 1939. 103
Refrigerating data book 103
Report on the slide of a portion of the upstream face of the Fort Peck Dam 716
Soil corrosion and pipe line protection. Scott Ewing 430
Taschenbuch der stadtentwasserung. K. Imhoff 545
Theory and practice of reinforced concrete. C. W. Dunham 546
Water supply and treatment. C. T. Hoover 298
Welded steel construction. R. S. Hale .. 545
Winter air conditioning 103
Worker, the foreman and the Wagner Act. R. L. Greenman 104

BRIDGE ACCIDENTS AND FAILURES

Belgium: Railway bridge destroyed when lightning sets off mines n*375
Hidalgo, Tex. suspension bridge collapses n*672
Iowa highway bridge collapses n*807
Iowa bridge collapses from heavy truck load n*723
New Jersey bridge falls under truck .. n*797
New York City, Rockaway Inlet bridge in construction wrecked when derrick falls n*662
North Carolina trucking firms pay for damages to bridge n735
Paris bridge collapses n857
Piscataqua River railroad accident brings railroad suit n388
Piscataqua River railroad bridge damaged by pier subsidence n317
San Cristobal Arroyo bridge is washed out three times and twice rebuilt *640
Sweden — False work failure wrecks bridge n313, n388
Texas sues trucking firm for damages to bridge n388
Utica, Mo. bridge floor collapses n587
Yellow Springs, Ohio, bridge wrecked from truck collision n*740
Bridge clearances:
Bridges over waterways. E. F. Wendt. l 392
Bridge construction:
Bridge cost bill vetoed n375
Subsurface exploration of Missouri River for bridge foundations. N. R. Sack .. *481

BRIDGE DESIGN

Advance in knowledge of suspension bridge design. L. S. Moisseiff *206
Beauty in design. D. A. Watt ..... l 203
Capital Memorial bridge, Frankfort, Ky. design and construction. E. D. Smith (A.I.S.C. prize) *837
Tests of concrete slabs for bridge floors 696
Truck train live loading. W. E. Wilbur. *268

BRIDGES

Augusta, Ga.:
Memorial bridge completed n*800
Australia:
Hawkesbury River bridge to be rebuilt 698
Baton Rouge, La.:
Construction advancing ..... Aug. 31 n*255
Contractors sue Louisiana Highway Commission n805
Three men killed by pulley .. Aug. 31 n251
Bay City, Mich.:
New bridge built and two others repaired. C. P. Hazelet *238
Berne, Switzerland:
Bold timber-arch center. Kaegi & Luchinger *90

• Illustrated; a, abstracts; e, editorials; l, letter; n, news

Big Creek, Calif.:
Articulated end spans for concrete bridge *77
Bombs and bridges e815
Brownville, Neb.:
Highway bridge in construction n*520
New type pier foundations. E. E. Howard *687
Toll bridge dedicated n*802
Canadian railway bridge piers use steel H-piles *826
Charleston, S. C.:
Citizens to vote on toll bridge purchases n385
Chicago:
Michigan Ave. bridge surface of rubber being replaced with asphalt plank *626
State Street bridge removed 32
Cleveland:
Foundations for lift bridges progressing 713
Foundations for three lift bridges of driven cylinders *541
Main Ave. bridge opened to traffic .. n*514
Colorado bridge (unit prices) 852
Denmark:
Storstrom bridge foundations laid with floating cofferdams. S. M. Koefoed. *15
Dixon, Ill.:
Abraham Lincoln bridge dedicated .. n*518
Florence, Ala.:
Toll bridge completed n*603
Fort Worth, Tex.:
Highway bridge n*379
Frankfort, Ky.:
Capital Memorial bridge design and construction. E. D. Smith *837
Galveston:
Causeway is dedicated n*249
Suspension bridges recommended n181
Garberville, Calif.:
Traffic uses new superstructure while it is skidded into place *641
Georgia highway bridge (unit prices) .. 804
Grafton, Vt.:
Repairing bridge after hurricane n*453
Grand River Dam Authority bridge:
New highway bridge n*452
Greenville, Miss.:
Bridge construction (unit prices) 193
Groton-New London, Conn.:
Bridge Commission named n127
Guntersville, Ala.:
Gantry crane helps raise bridge in unique procedure. Erwin Harsch .. *757
Hartford bridge commission appointed. 427
Harve de Grace, Md.:
Bridge construction continued n321
New contractor named n381
Highland Park bridge, Pittsburgh:
Bridge opened to traffic n*112
Housatonic River (Merritt Parkway):
Foundations constructed n*114
India:
Landsdowne bridge celebrates 50th year n*198
Indiana to replace old bridges n806
La Crosse, Wis.:
Dedication of bridge n*390
Laredo, Tex.:
Bridges. Julian Montgomery ..... l 812
International bridge plans not accepted ..... Aug. 31 n256
London:
Waterloo bridge in construction n809
Los Angeles:
A.G.C. ask cancellation of viaduct job n809
Louisville, Neb.:
Highway bridge becomes toll-free n378
Ludlow Ferry, Md.:
Four-legged caisson sunk for bridge pier n*724
Maryland and Virginia highway bridge (unit prices) 364
Mexico-Texas bridge:
Mexico approves plans .. nJuly 20 adv. n92
Milwaukee:
Launching cofferdam bracing n*321
Missouri River toll highway bridge in operation n855
Montana highway bridge (unit prices) . 191
New Harmony, Ind. bridge offered for sale n319
New Haven, Conn.:
Cofferdam sealed in a novel way. R. J. Reigeluth *161
New York City:
Battery-Brooklyn bridge fight continues n595
Battery-Brooklyn bridge rejected again by Army n60
Brooklyn bridge rebuilding proposed .n243
Brooklyn bridge reconstruction unrelated to proposed bridge .. Aug. 31 n256
Henry Hudson bridge three years old .n805
Newtown Creek bridge structural details. Nathan Deutschman *706
Whitestone bridge caisson work. G. L. Freeman *149
Whitestone bridge tolls n129
Niagara Falls:
Bonds not bid for n593
Commission seeks to keep project alive n2
Financing plan prepared n445
Rainbow bridge location being studied .n198
Taxable bonds to be issued n243
War department does not give authorization n61
Work to start this fall n374
North Kingston, R. I.:
Jamestown bridge approach (ult prices) 782
Northampton, Mass.:
Calvin Coolidge span dedicated n*809
Ohio Commission halted in bridge buying program n249
Omaha viaduct maintenance cost may be railroad's responsibility n604
Owensboro, Ky.:
Approach to bridge (unit prices) 255
Pennsylvania highway bridge escapes dynamiting n319
Peoria:
Bridge planned n117
Highway bridge planned 77
Pit River bridge:
Bids opened n449
Earthquake resistance. J. L. Savage. 229
Paving company awarded contract ... n667
Port Stanley, Ont.:
Workers' memorial unveiled n*200
Portland, Ore.:
Maintenance cost for four years on viaducts 153
St. Louis:
Municipal Bridge tolls for seven years .n249
San Cristobal Arroyo:
Washed out three times and twice rebuilt *640
San Francisco-Golden Gate bridge:
Earthquake resistance. L. S. Moisseiff 229
Paint maintenance is a problem 774
Safety record 754
Strauss statue proposed n735
Traffic control booth *629
Traffic gains n604
Viaduct approach to bridge has curved concrete girders *217
San Francisco-Oakland Bay Bridge:
Authority sued for engineering studies n663
Earthquake resistance. Rabb & Wood 228
Paint maintenance 211
Revenues since the opening of bridge .n673
Tolls may be reduced again n388
Tolls reduced n855
Seattle:
Construction progress on pontoon bridge *440
Maintenance experience on 120 bridges .*352
Pontoon anchored in line n675
Pontoon bridge anchors *265
Pontoon bridge construction *144
Pontoon bridge taking form n*318
Pontoon bridge—torch for burning green timber *715
Shasta Dam:
Construction bridge girders placed by cableway *214
Motor truck weights govern contractors' bridge design *102
Tacoma:
Narrows bridge claim based on early studies n513
Narrows bridge—concrete plant serves both barges and cars *35
Narrows bridge constructs cable saddles of welded plates. Jonathan Jones *773
Narrows bridge contractors get extra compensation n244
Narrows bridge engineer files claims with Bridge Authority n318
Narrows Bridge—measuring cable pull .*167
Narrows bridge—welded cable saddles ..... l 812
Tasmania:
Concrete pontoon bridge laid out on a curve 172
Telford bridge, Wales:
Reconstruction under way n*131
Thousand Is. Bridge:
Profit for first year n321
Toll roads and bridges. J. W. Beretta . l 742
Turkey:
Pontoon bridge at Istanbul has rigid frame superstructure. E. R. Wiseman *406
Vancouver:
Toll bridge traffic heavy in first year .n792
Washington, D. C.:
Pennsylvania Ave. bridge replaced ... n*48
Washington-Oregon bridge:
Raising bridge (unit prices) 648
Westfield, Mass.:
Replaces old iron bridge n*438
Winona, Minn. bridge planned n861
Yorktown-Gloucester Point, Va. bridge approved n861
British-American Engineering Congress cancels meeting ..... Aug. 31 n255, e260
Building accidents and failures:
Charleston, S. C. wood preserving plant wrecked by explosion n*383
DesMoines sewer break wrecks building n*251

BUILDING CONSTRUCTION

Anti-trust study of construction to center housing costs 20
Federal investigation—Pittsburgh electrical contractors indicted n601
Industrial building costs found low n63
Investigation of building practices in cities begun n517
Pennsylvania factory work in 1939 .... n605
Poor building boosts taxes. E. H. Thatcher ..... l 134
Building design:
1939 notable buildings *547-580
Wind design of tall buildings. Robins Fleming ..... l 325
Building laws and regulations:
Winston-Salem, N. C. building code changes proposed n438

BUILDINGS

Atlanta, Ga.:
Removing columns from tall hotel. R. G. Lose *400
Bethpage, L. I.:
Aircraft plant to increase space ..... Aug. 31 n255
Boston:
Arch roof for skating rink. C. M. Spofford *274
New England Mutual Life building requires special foundations *692
Steam-electric plant has cantilever foundation. Julius Lasker *350
Buffalo:
City Hall defects covered in report .. n65
Chicago:
Great Northern Hotel to be razed n197
Montgomery Ward building—foundation wells. G. L. Freeman ..... l 812
Montgomery Ward building foundation wells sunk by boring machines *473
Montgomery Ward building permitted bored tremie caissons n589
Pullman's air-conditioned drafting offices *578
Cleveland, Ohio:
Republic Steel mill foundations of slag concrete give satisfaction. J. K. Harris *267
Coulee Center:
Plumbing shop of very porous concrete for economy 156
Des Moines:
Bankers Life building. L. A. McBroom ..... *549; correction 679
Bankers Life ultra modern building .n*507
Telephone conduits carried by suspension bridge *821
Detroit:
Ford automobile press shop. Albert Kahn *564
Evanston, Ill.:
Northwestern University's Observatory being moved n*189
Girardville, Pa.:
High school building *568
Hoboken, N. J.:
Coffee roasting plant building *559
Holland, Mich.:
Steam power plant building. R. F. Giffels *561
Houston:
Church walls removed by putting trusses under heavy dome. F. J. Niven *755
Indianapolis:
Airplane engine plant steel erection finished n*180
Coliseum on state fair grounds has rigid frame roof n*558
General Motors windowless factory ... *376
Jarratt, Va.:
Johns-Manville opens new factory ... n*588
Lake, Wis.:
Water tower-town hall completed *508
Lansing, Mich.:
Power plant with invisible stack *509
Minneapolis:
School building settlement checked successfully. W. H. Wheeler *531
Mont Joli, Canada:
New sanitarium n*454
Naples, Italy:
Exposition building under construction n*861
Natchez, Miss.:
Tire factory. Anton Tedesko *553
New Orleans:
Charity Hospital—inadequate foundations. Maurice Blumenthal ..... l 325
Hospital settlement conclusions reported by Hardy Cross n113
Hospital settlement held inevitable by Terzaghi n180
McAlister auditorium has point-supported dome of thin shell type. Anton Tedesko *767
New York City:
Castle Village apartments *556
Castle Village apartments n*183
Fair building is thin-shelled wood dome. H. A. Foster *97
Metropolitan Life Insurance apartments in construction *62
Red Hook Houses reduce cost by twisted-bar reinforced concrete *18
Rockefeller Center building combines office and garage n*59
Rockefeller Center—last rivet driven .n*606
Tiffany building steel contract let n516
Norristown, Pa.:
Pennsylvania State Hospital pre-bidding information denied n46
Orlando, Fla.:
Telephone building has bowstring truss for roof. John Graveley *240
San Francisco:
Auditorium roof for the Fair is supported by eight radial roof trusses .*357
Stanford, Calif.:
Hoover War Memorial Library foundation site seismic data 34
Syracuse:
Baking soda plant described *570
Topeka, Kan.:
City Hall and auditorium. R. A. Coolidge *574
Vancouver, N. B.:
New hotel n*121

Buildings see also Floors, Housing, Roofs, Walls

C

Cables:
Sheave brings power cable on board suction dredge *98
Telephone conduits carried by suspension bridge in Des Moines *821

Cableway time at Hiwassee Dam is scheduled. C. E. Blee..... 428

CAISSONS

Ludlow Ferry, Md. bridge—four-legged caisson sunk n*724
Measuring cable pull on anchor system of Tacoma Bridge caissons.....*167
Montgomery Ward building permitted bored tremie caissons.....n589
Underwater foundations. W. F. Way.. Aug. 31 l 257
Whitestone Bridge required deep caisson work. G. L. Freeman.....*149

CANALS

Albert Canal, Belgium:
Breach causes embankment failure...n*46
Boise Irrigation Project (Idaho), Black Canyon Canal (unit prices)..... 315
Contra Costa canal:
Experimental section built.....n*725
Gila canal, Ariz.:
Siphon work is speeded by special equipment. J. C. Coyle.....*637
Illinois canal restored for pleasure use. 704
Kingsley Dam water distribution system (unit prices)..... 436
Missouri River dikes and pilot canal (unit prices)..... 782
Nicaragua canal:
Report not expected for a year.....n657
Survey to be made.....n197, e204
Ogden-Brigham irrigation canal conduit controlled by surge tank and shaft spillways. C. R. Burky..... *29
Panama Canal:
Administration hiring employees from Denver Reclamation Bureau.....n516
New locks planned.....n181
Preliminary construction work to be on cost-plus basis.....n523
Survey engineers returned.....n603
Third set of locks to be built..*330, e326
Russian canal finished in 13 days.....n*445
St. Lucie canal lock (unit prices)..... 496
Welland Ship Canal:
Bank landslide does not stop shipping n47
Willacy County (Texas) Water District gunite-lined canal *308
Willows prevent canal erosion..... 494

CEMENT

Cement companies in Texas sued on anti-trust charges n445, n449
Permanente Corp. builds cement plant in six months.....n507
Texas cement anti-trust suit settled....n675
Texas cement companies sued on anti-trust charges n445, n449
Universal-Atlas Cement Co. dressed up for fiftieth anniversary.....n737
Central States Sewage Works Assn.:
Chicago meeting n523

CITIES

American Public Works Association discusses programming public works ... 538
Disaster plans outlined for city governments 332
Measuring the unit cost of municipal services 710
Mexican workers plan model modern city.....Aug. 31 adv. 94
City manager:
Training men for city hall jobs..... 362
Civil service agency trains local officials in New York n768
Cluverius, Wat Tyler made president of Worcester Polytechnic n*601

COFFERDAMS

Chicago filtration plant cofferdams unwatered n*738
New Haven bridge cofferdam sealed in a novel way. R. J. Reigeluth.....*161
Storstrom bridge, Denmark, employs floating cofferdams in building foundations. S. M. Koefoed..... *15
Columbia University honors engineer graduates n726
Columns:
Atlanta, Ga. removing columns from tall hotel. R. G. Lose.....*400
San Francisco-Golden Gate Exposition entrance columns with plywood webs.*297

CONCRETE

Aggregate production with dust-collecting system at Hiwassee Dam.....*407
Bond for reinforcing bars improved by rust 633
Bond stress in unequal bar layouts. W. J. Smithers.....l 524
Building for form assemmbly. C. E. Blee *714
Cleaning Grand Coulee Dam concrete with air, water and sand.....*660
Electric heat speeds curing of precast concrete joints. H. K. Burch.....*273
Forms for drains at Grand Coulee Dam.*490
Gila canal construction is speeded by mobile concreting plant. J. C. Coyle..*637
Lean and wet slag mix makes good concrete is shown by foundations of Republic Steel mill. J. K. Harris....*267
Los Angeles Terminal's concrete has unusual surface texture. C. W. Pierce.. *32
Magnet frees concrete of scrap iron..... *67
One man spots buckets by remote control *429
Palo Verdes reservoir basin lined with shotcrete paving n*860
Plaster models used in tests of concrete slabs 621
Pontoon bridge construction at Seattle..*144
Porous concrete builds plumbing shop at a low cost.....*156
Porous concrete for laboratory floors at Grand Coulee Dam..... 157
Prestressing reinforcing in concrete. A. Floris .....l 135
Red Hook Houses reduce cost by twisted-bar reinforced vacuumized concrete... *18
Steam heat aids Grand Coulee Dam concreting n*795
Swedish water-power dam formed of concrete monoliths *703
Tests of concrete slabs for bridge floors. 686
Tremie concreting in slurry. A. B. Wang .....l 678
Condit, Kenneth H., new engineering dean at Princeton n*587

CONDUITS

Colorado River aqueduct siphons, rectangular shape, have corner reinforcement. D. B. Gumensky.....*411
Ogden Canyon conduit controlled by surge tank with gates and shaft spillways. C. R. Burky..... *29
Toledo, Ohio, intake conduit and crib (unit prices) 448

CONSTRUCTION

Chamber of Commerce and contractors meet at construction conference.....n671
ENR construction volume and costs.... July 6 adv. 31, Aug. 3 adv. 31, Sept. 14 adv. 51, Oct. 12 adv. 35, Nov. 9 adv. 35, Dec. 7 adv. 51
E.N.R. survey shows gains in construction n437
Federal investigation of construction see Building construction
Increase in construction.....e205
Pan American Trade Committee of San Francisco to promote Latin American trade 410
War effects upon construction..... 328
Construction Day program at the New York World's Fair.....n455

CONSTRUCTION EQUIPMENT

A-frames for form panels.....*358
Block anchor *491
Bucket for concrete.....*39
Cableway tail tower for Marshall Ford Dam moved without dismantling...n*794
Crane operated current meter from bridge floor. C. V. Youngquist.....*490
Device for testing holding power of nails. E. C. Seibert..... *39
Dragline and dragveyor move earth at Hansen Dam *10
Drawing board for desk.....*490
Elevator group accused of monopoly in New York .....Aug. 31 n254
Elevator for servicing rides Hiwassee Dam face. C. E. Blee.....*428
Engine with seat to hold down when pumping *491
Gantry crane helps raise Guntersville bridge in unique procedure. Erwin Harsch *757
Gila canal construction speed by special equipment. J. C. Coyle.....*637
Hammer for piledriver at Ludlow Ferry, Md. bridge n*49
Magnet frees concrete of scrap iron....*167
Pile driver leads speed placing of batter piles *76
Portable rack for oils. Elton Sterrett..*777
Scaffold for divers.....*777
Sheave brings power cable on board suction dredge *98
Soil compacting device. S. Steuermann *87
Tacoma Narrows bridge concrete plant serves both barges and cars..... *35
Tongs for timber.....*491
Torch for burning green timber.....*715
Trailer box pulled by trench excavator for sewer construction.....*705
World's longest belt conveyor will bring aggregates to Shasta Dam site.....n*736
Wrecker for New York City sanitation department n*516

CONSTRUCTION MATERIALS

Canada's war budget exempts building materials n375
Department of Commerce studying production n113
Electricla supply houses named in building inquiry n861
Glass as structural material discussed at engineers' meeting..... 820
Insulation problems studied by the National Mineral Wool Association. F. B. Rowley 213
Lincoln Electric pledges no rise in prices n385
Materials and labor prices.....41, 170, 366, 498, 650, 784
Progress in construction materials reported at A.S.T.M. meeting..... 92
Steel production booms in Pittsburgh district n375
Tile industry in Detroit under investigation n796

CONTRACTORS

Bids:
Bidding practice two centuries ago. R. S. Kirby.....*712
Federal agencies find no cost increase.n317
Identical bids questioned in Milwaukee n451
New Orleans A.G.C. chapter indicted on bid fees.....n737
No collusive bidding in Tennessee road work n741
Pennsylvania State Hospital pre-bidding information denied..... n46
Why not more accurtae bid plans?... 74
British Columbia building contractors not to be licensed.....n740
Contractor paid for legal delay..... n63
Damages awarded for forced idleness on highway project n809
Government contract settlement. G. R. Shields 340, e326
Hartford contractor wins payment because plans lack data....Aug. 31 adv. 92
Highway contract awarded despite license cancellation n190
Liability insurance for contractors. C. M. Johnson 155
Louisiana University sues former construction man .....Aug. 31 n251
Louisiana authorities rescind contracts Aug. 31 n253
Massachusetts requires naming subcontractors n389
Minnesota to recover over-payment from contractor n735
New Jersey contractor sues U. S. government n131

Texas to check contractors' finances....n793
Contracts:
ENR engineering construction contracts.....55, 65, 119, 133, 190, 201, 254, 256, 314, 323, 381, 391, 447, 455, 515, 523, 598, 607, 667, 676, 730, 741, 803, 810, 865
Federal contracts may be modified due to European War.....n449, e459
Joint Conference on contracts.....n807
Cost index numbers.....July 6 adv. 31, Aug. 3 adv. 31, Sept. 14 adv. 51, Oct. 12 adv. 35, Nov. 9 adv. 35, Dec. 7 adv. 51

CULVERTS

Metal culverts are not bridges in Canada n181
Pressure culvert, Pa. (unit prices)..... 670
Self-flushing culvert *249

D

DAMS

Army and Reclamation Bureau to divide dam work n200
Boise (Idaho) irrigation project, Black Canyon Dam, Fish screen (unit prices) 804
Boulder Dam:
Observations at Boulder..... 31
Caddo Dam:
Work begun n185
Central Valley Project (Calif.) see Shasta Dam, Friant Dam
Chickamauga Dam:
Installing generating unit No. 3....n*659
Colorado earthfill dam built by the Bureau of Reclamation..... 533
Conchas Dam:
Artesian water pressure lifts dam.... 485
Connecticut Dam and Reservoir Commission appointed n111
Denison Dam:
Court orders report on dam.....n451
Earthwork, Tex. (unit prices)..... 804
Flood control work defended in court.n675
Oklahoma governor opposed dam work n305
To be started.....n117
Work not to be halted.....n379
Earth Dams:
Vibroflotation, soil compacting device. S. Steuermann *87
Water pressure indicators. D R. May *212
El Azucar Dam:
Work is being hurried.....n253
Fern Ridge Dam:
Bids to be opened in Feb.....n603
Fort Peck Dam:
Dredges complete five-year job.....n*659
Franklin Falls Dam:
Construction (unit prices)..... 733
Friant Dam:
Bid opening postponed.....n198, n318
Bids called for..... n3
Construction work (unit prices)..... 669
Five bids submitted.....n379
Gilbertsville Dam:
Flood protection for Mississippi Valley n127
TVA may condemn land as quarry site n254
Grand Coulee Dam:
Cleaning the concrete with air, water and sand *660
Concrete pouring record set.....n385
Concreting aided by steam heat.....n*795
Cost allocation to be restudied..... Nov. 9 adv. 100
Drilling in bosun seats n*378
Five day week adopted.....n59
Forms for drains.....*490
Handy A-frames for form panels.....*358
Hearings on contractors' suit.....n603
Laboratory floors of low-cost porous concrete 157
MWAK company seeks additional pay n390
One man spots buckets by remote control *429
Safety record n119
Safety suggestions *297
Grand River Dam see Pensacola Dam

* Illustrated; a, abstracts; e, editorials; l, letter; n, news

Grand River Dam Authority:
Legality of Authority to be decided..n317
Wright, general manager, charged by board of directors.....n671
Green Mountain Dam:
Strike ended n179
Unions win closed shop.....Aug. 31 n255
Workers strike is expensive.....n517
Guntersville Dam:
Dike built to protect Guntersville town *344
Hansen Dam:
Dragline and dragveyor move earth...*10
Haweswater Dam, England:
Work to be completed.....n*185
Hiwassee Dam:
Aggregate production with dust-collecting system *407
Cable time scheduled. C. E. Blee.... 428
Description of concrete construction.. *333, e327
Drill hole size tests. C. E. Blee.....*643
Elevator rides dam face. C. E. Blee..*428
Form assembly building. C. E. Blee..*714
Kingsley Dam:
Construction delayed n307
Core-pool operations started.....n*519
Water distribution system (unit prices) 436
Work back on schedule.....n373
Lackawack Dam:
Bids on dam.....n112
Construction (unit prices)..... 302
Now called Merriman Dam.....n668
Loyalhanna Dam, Pa.:
Construction (unit prices)..... 496
Marshall Ford Dam:
Changes in dam approved by Ickes..n319
Height to be increased.....n*253
Steel cableway tail tower moved without dismantling n*794
Mud Mountain Dam see Stevens Dam
Neches River, Tex. dam proposed.....n811
Nimrod Dam:
Construction to start in the spring...n249
Olentangy River, Ohio dam foundation studies begun n727
Pensacola Dam:
Construction now 71 per cent complete n*674
Dam Authority receives conditional license.....Aug. 3 n88
Land condemnation upheld by court..n447
McNaughton rejected by PWA as head n805
Wright resigns as head of project....n735
Pine View Dam:
Ogden canyon conduit controlled by surge tank and shaft spillways. C. R. Burky *29
Pinopolis Dam:
Engineers inspect dam site.....n*130
Possum Kingdom Dam:
RFC loan secured for completion....n601
Red Bluff Dam, Tex.:
Lead seal for Tainter gates. O N. Floyd *763
Red River Dam:
Bids to be opened soon.....n730
Rhode Is. earth dam designed with welded iron core.....*354
Ross Dam:
Description of the project.....*460
Height increase is authorized.....n514
Height to be increased.....n808
Roza Diversion Dam:
Ready for gates.....n129
Work progresses n*661
San Gabriel Dam:
Outlet tunnel enlarged for valve chamber. Paul Baumann.....*628
Santa Catalina Mts., Ariz.:
Check dam and highway combination .....Aug. 31 n*252
Santee Dam, S. C. (Santee-Cooper Project) Hydro-Electric Power:
Construction (unit prices) 584
Sardis Dam:
Hydraulic fill work complete.....n741
Savage River Dam:
Surveys begun n314
Sepulveda Dam:
Bidding delayed by labor troubles....n805
Bids opened n855
Shand Dam:
Construction started n*726
Shasta Dam:
Belt conveyor approved for aggregate..n589
Cement plant built by company in six months n507
Cement silos built in record time....n*658
Construction progress at the dam.....*612
Conveyors would replace rail delivery of materials n515
Diversion tunnel goes into use..... n50
Railway relocation inspected.....n*61
World's longest belt conveyor will bring aggregate to site.....n*736
Spaulding Dam:
Repairing damaged concrete on the face of the dam.....*844
Stevens Dam (Mud Mountain Dam):
Bids received n243
Bids to be opened.....n111
Construction of dam (unit prices).... 364
Construction started n*602
Cores taken of the foundation.....n*184
Stevenson Dam:
Refacing the dam.....*218
Sunshine Dam completed.....n806
Sweden:
Water-power dam formed of concrete monoliths *703
Tuscaloosa lock and dam being completed n*322
Vallecito Dam:
Outlet works n*199
Wheeler Dam:
Power output to be increased..... 351
Yampa Valley Irrigation District Dam:
Earth dam construction stopped by silt deposit n451
Davies, J. Vipond, tunnel engineer, dies..n452
Design—beauty in design. Gavin Hadden.l 393
Dikes:
Guntersville town protected from backwater of reservoir by dikes.....*344
Nebraska dikes and revetments (unit prices) 315
Domes see Roofs and Buildings
Drainage:
Precast liners for drainage ditches.....*231
Zuyder Zee reclamation nears completion n589
Drainage see also Irrigation
Duke University to form engineering college n47
Dust collections at quarry for aggregates at Hiwassee Dam.....*407

EARTH FILL
Compacting earth for levees on the Rio Grande *337
Erosion control of Missouri road fill....*148
Gridiron sodding for road fill. C. A. Mackenzie *210
Measuring embankment volume. R. J. Fletcher *429
Moving earth by hydraulic sluicing..... 754
Slope protection for dam at Stanislaus power plant *147
Steel baffle-plate slope retainers detroyed by slide; retaining wall necessary. G. H. Allen.....*230
Washington, D. C. airport employes hydraulic fill to pack swamp.....*262

EARTHQUAKES
Hoover Library, Stanford University, foundation site tested for seismic data 34
Pit River bridge piers designed for earthquake resistance. J. L. Savage. 229
Present knowledge of earthquake resistant design. H. D. Dewell..... 228
San Francisco-Golden Gate bridge designed for earthquake resistance. L. S. Moisseiff 229
San Francisco-Oakland Bay bridge designed for earthquake resistance. Rabb & Wood..... 228
Washington State earthquake does little damage n730
Electrical applications:
Asphalt plant heated with electric units.*162
Precast concrete joists cured with electric heat. H. K. Burch.....*273
Electrical transmission:
Bonneville-Coulee transmission lines (unit prices) 586
Bonneville and Grand Coulee to have second line.....Aug. 3 n88
Elevators:
Manufacturing group accused as monopoly in New York.....n254

ENGINEERS
Famous engineers. A. R. James.....l 393
Famous engineers. E. F. Wendt.....l 743
Licensing:
Maryland registration of engineers and surveyors begun n676
New York Engineers plan law changes.n674
Publicity for engineers. E. M. Craig, Jr. .....l 608
Publicity for engineers. J. A. Varela..l 456
Salary study begun by engineers.....n805
Two fisted engineers. H. C. Sawyer....l 608
Why so few famous engineers today? Farley Gannett *226
Engineers' Council for Professional Development:
Seven additional schools accredited.... n602; correction n727
Erosion of embankment checked by brush wattles *38
Erosion see also Earth fill

EXPOSITIONS
Moscow, Russia, opens All-Union Agricultural Exhibition n*245
New York World's Fair:
Fireproof wood at the Fair..... 349
Heinz building is thin-shelled wood dome. H. A. Foster..... *97
San Francisco-Golden Gate Exposition:
Auditorium roof is supported by eight radial roof trusses.....*357
Entrance columns with plywood webs.*297
Lagoon lining treated with salt water to make bottom impervious..... 34

F

Federal Works Agency:
Carmody discusses agency..... n61
War role studied for federal works....n317
Job at the Federal Works Agency. J. M. Carmody 146
Works economics studied..... 646
Feiker, Frederick M., new dean at George Washington University n*805
Ferguson, General, retires from Mississippi River work .....Aug. 31 n251
Fish screen, Idaho (unit prices)..... 804
Fleming, Lieut. Col. Philip B. names wage-hour administrator.....n*517, n519

FLOODS AND FLOOD PROTECTION
Arizona suffers floods in central part...n321
California's storm flood damage..... 646

Great Britain's water works practice (N.E.W.W.A.) 415
Grinnell, Kansas, waterworks (unit prices) 108
Growth of waterworks in the U. S. M. N. Baker (chart)..... 617
Inventory of water supply facilities in the U. S. 1939 (table)..... 414
Letters about the waterworks inventory 525
Louisville waterworks to be privately managed n439
Magnolia, Ark. buys water distribution system n672
Miami may purchase water distribution system n387
Pascagoula, Miss. waterworks (unit prices) 108
Removable well houses simplify maintenance *642
School students desirable visitors..... 756
Southern California to be served by Palo Verdes reservoir.....n*860
Water distribution hazards..... 75
Winter waterworks operation (N.E.W. W.A.) 418
Waves, tidal, in New England hurricane 405
Weirs:
Submerged weir formula verified. G. N. Cox .....*272, error 1, 393
WELDING
A.R.E.A. begins continuous welded rail study *278
Arc and gas welding developments discussed at American Welding Society.. 634
Inspectors' school held in Pittsburgh..n856
Rail joint study. H. F. Moore.....l 324
Rail welding in Australia..... 711
Rhode Is. earth dam designed with welded iron core.....*354
Shovel boom welding.....n*443
Structural welding research planned...n740
Syracuse baking soda plant has all-welded frame *570
Tacoma Narrows bridge constructs cable saddles of welded plates. Jonathan Jones *773
WELLS
Groundwater flow through sand..... 172
Long Island groundwater replenished by rain 232
Pasadena, Calif. sues to clear up water rights in underground basin.....476, e459

* Illustrated; a, abstracts; e, editorials; l, letter; n, news

Removable well houses simplify maintenance *642
Wessman, Harold E. appointed N.Y.C. civil engineering head..... n*1
Weymouth, Aubrey engineer, dies.....n*132
Wharves and docks:
Long Beach, Calif., concrete wharf places new piles in position through old deck *750
New York Pier 99 deck lowered in one piece using large threaded hangers.. *33
Williams, S. M. retires from Contract Bureau n*793
Wind storms:
California suffers from storms.....n*446
Tidal wave in New England hurricane at Brenton Point, L. I..... 405
Wood preservation:
New York World's Fair has much fireproof wood 349
Timber treatment declines..... 399
WORKS PROGRESS ADMINISTRATION
Dismissal of WPA workers await lending bill action.....n127
Foremen complete training courses..... 239
Head restricted in wage-rate change...n385
Pennsylvania official fined for diverting WPA labor.....Aug 3 n88
Rhode Island measures efficiency from WPA labor 756
Should WPA continue in construction?
Yes—says F. C. Harrington..... 280
No—says W. A. Klinger.....281, e261
Reader vote "No".....n375, *699
Reader comments, Chace, Butcher, McFadden, Dappert, Moeller, Sawyer, Butts 1 678
Strike slows up construction..... n45
Strike still on.....n59, e68
Wages for relief workers changed in bill n1

Z

Zoning see planning
Zuyder Zee reclamation nears completion..n589
